**Re: *United States v. Joshua Adam Schulte,*
S3 17 Cr. 548 (JMF)**

Dear Judge Furman:

The Government writes to respectfully request permission to exceed the Court's default page limit in the Government's upcoming classified motion pursuant to Section 6(a) of the Classified Information Procedures Act ("CIPA"), due on Friday, March 18, 2022. The Court had previously ordered that "any memorandum of law filed in support of a motion or in opposition to a motion shall not exceed twenty-five pages." (D.E. 570 at 4). In view of the complexity and number of issues raised by the Government's motion, as well as the extensive procedural history of prior CIPA Section 6(a) and (c) practice in this case, the Government respectfully requests permission to file a motion of not more than 55 pages, and the Government consents to a reciprocal expansion of the defendant's response to the Government's motion.

Application GRANTED in part. The Government may file a motion of up to 45 pages, and Defendant may file a response of the same length. No expansion of any reply brief will be permitted. The Clerk of Court is directed to terminate ECF No. 741. SO ORDERED.

March 17, 2022

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
